

Abranet

The dust-free sanding solution.

The original, multifunctional net sanding material, Abranet combines high performance and a longer lifespan than traditional abrasives, making it a cost effective solution. Designed for dry sanding by machine or by hand, its true dust-free sanding characteristics result in a cleaner work environment, as well as a better surface finish.

- Innovative design improves productivity and final finish while reducing costs
- Full-face vacuum ability for greater efficiency
- Removal of dust particles eliminates loading and pilling problems
- Woven mesh backing works with hook and loop attachment
- Can be used with portable, self-generating, or central vacuum systems
- Vacuum sanding provides better working conditions with less impact to the environment

Available in grip rolls, sheets and discs. Grit range: P80-P1000.
