

Autonet[®]

Virtually dust-free sanding.

Specially developed for the automotive refinishing industry, Autonet is a surface finishing solution offering speed, efficiency and an amazing dust extraction ability. The patented construction eliminates clogging and pilling and ensures a long lifespan, while other highlights include excellent initial aggressivity, reduced edge wear in finer grits and a versatile range to suit any application.

- Vacuum efficiency approaching 95% for a cleaner and healthier work environment
- Aggressive, high cut rate to meet shop's demanding needs
- Net sanding discs outlast conventional paper and film discs.

Available in 2-3/4" grip rolls and 3", 6" diameter grip discs. Grit range: P80-P800.
