

Bulldog Gold

Proven performance leader.

This durable sanding material is well suited for high speed sanding in a multitude of applications. Gold features a semi-open coating and a special stearate designed to prevent clogging and pill forming which helps achieve an optimal sanding result. This makes Gold the TRUE standard.

- Designed for finishing and heavy stock removal.
- Aluminum oxide grain delivers a fast, exceptionally long lasting cut.
- High strength resin bonding provides superior grain support.
- Special stearate coating is used to maximize resistance to clogging and loading.
- Semi open coat produces an even, consistent scratch pattern.

Available in sheets, discs, rolls and strips. Grit range: P36-P800.
