

# Gold Proflex<sup>®</sup>

**Flexible, stearate coated abrasive sheets for dry hand sanding.**

Gold Proflex is a stearate coated abrasive paper for dry hand sanding. A flexible, stable, latex impregnated backing paper provides desired flexibility and conformity in profile sanding operations as well as on flat surfaces. Gold Proflex offers premium performance when sanding wood, filler, paint etc.

- Aluminum oxide grain provides a good cut and an excellent scratch pattern
- Flexible, latex-impregnated backing provides superior conformity in profile sanding
- Anti-slip coating on the back side provides a solid grip and feel during sanding

*Available in 9" x 11" sheets. Grit range: P80-P800.*
